Dear Mr. Schena,

My wife and I just returned from a two week trip to St. Louis and Fulton, Missouri, for our grand-daughter's wedding. It was our first trip since my ostomy surgery and I was very concerned.

I am pleased to inform you of the success that I had with the EZ Clean Travel kit. We stayed in three different motels and in each one, I had No problem connecting the portable EZ Cleaner to the water faucets.

It made my mental state and my life so relaxed. I would have been Totally lost without the portable EZ Travel Cleaner.

I now know that I can travel again and enjoy the things that my wife and I did prior to my surgery. My deepest thanks for your wonderful invention.

Sincerely,

  
O'Neill Farrington
